# 'The fine print...'

**AppleSauce** is the official organ of SAAUC Inc., and is published eleven times per year, February – December.

**AppleSauce** is an independent production and has not been authorised, sponsored or otherwise approved by Apple Computer Inc.

## Guidelines for Contributors

Articles and artwork on any topic relating to Apple computers are welcomed. E-mail to the Editor <pcarter@acslink.net.au>, or post to the Editor's business address (Pelagos Productions, PO Box 133 Brooklyn Park 5032).

Deadline is the third Friday of the preceding month.

Submissions must be spell checked, in ASCII text format (.txt, not Word .doc or AppleWorks .cwk), with graphics as separate files: please use JPEG for photographs and similar, GIF for line art. (If in doubt, please ask.)

The Editor reserves the right to edit as required: authors will be contacted if major surgery is necessary.

**AppleSauce** is edited and laid out with InDesign, with a bit of help from BBEdit, Photoshop, Illustrator, etc. before conversion to Acrobat.

## Advertising

Small advertisements from financial members will be accepted and published free of charge, provided they are signed by the person(s) placing the advertisement.

Business advertising rate is \$50.00 per page (or by negotiation) with submission as PDF file. Page size is 225 \* 160 mm/640 \* 460 pixels, and commercial advertising deadline is the second Friday of the month.

Advertisements must not conflict with the interests of the club. Publication does not imply recommendation or endorsement by SAAUC Inc.

## Copyright

Except where otherwise stated, this publication is copyright © 2006, 2007 by SAAUC Inc. Authors and advertisers express their own opinions and are responsible for the accuracy of their submissions.

Permission is granted for the reproduction of original articles contained in this issue by any non-profit organisation provided the author, title and publication credits are given, and a copy of the publication is sent to SAAUC. Contact the editor for text and graphics files.

**AppleSauce** is prepared with BBEdit from Bare Bones Software, and Adobe InDesign, Photoshop, Illustrator, and Acrobat Professional. Folder navigation is aided by Default Folder from St Clair Software, Web site maintenance by Fetch from Fetch Software
